Good Day,

I, Visitacion Enciso Ramos, authorize my son, Al John Carl E. Ramos, to claim my passport on my behalf. Given that I have been suffering from illness up until now, I am unable to present myself at this time.

To support my claim, I have attached below a copy of my identity card to serve as proof that I have allowed the bearer of this letter, my son, to claim my passport on my behalf.

Should you have any questions about the identity of the person bearing this letter, you can call me at 09055007581 or 08-477-71-43 for our telephone number.

Thank you for your kind consideration. I am hoping for a smooth operation regarding this matter.

Sincerely,

---
